

# The Great Dot Game!

Each player must draw a line (up and down or side to side, no diagonals) to connect 2 dots on the board. If a player's line closes a square, then they receive 1 point. If you close a box, you get to draw another line! Write your initials inside any closed boxes to keep track of how many points you have!

---

The heavens were made by God  
(Psalm 19:1)

Great is the Lord (Psalm 145:3)

God created fossils too! (Genesis 1:1)
