Lazarus Back to Life

# Lazarus Box

## Supplies

copies of the Lazarus Box for each child  
crayons or markers

scissors

tape

## Directions

Color and cut out the box around the outside edges (do not cut on the dotted lines). Cut out the Lazarus story figure. Assemble the box by folding on the dotted lines and taping the tabs inside the box. Do not tape the tab on the top flap to the inside of the box (the box will need to be opened and closed). Place the Lazarus figure inside the box. Use the Lazarus Box to retell the story of Jesus bringing Lazarus back to life:

- 1) Jesus was a friend to Mary, Martha, and their brother, Lazarus.
- 2) One day a messenger came to tell Jesus that Lazarus was very sick.
- 3) After three days Jesus traveled to see Lazarus.
- 4) Martha was crying. She told Jesus that Lazarus had died.
- 5) Jesus was sad and He cried. Jesus raised Lazarus from the dead (pull Lazarus out of the box).
- 6) Mary and Martha were very happy that Lazarus was alive again.
