Jesus Stops a Storm

Mark 4—Jesus Stops a Storm Storm Story Pamphlet

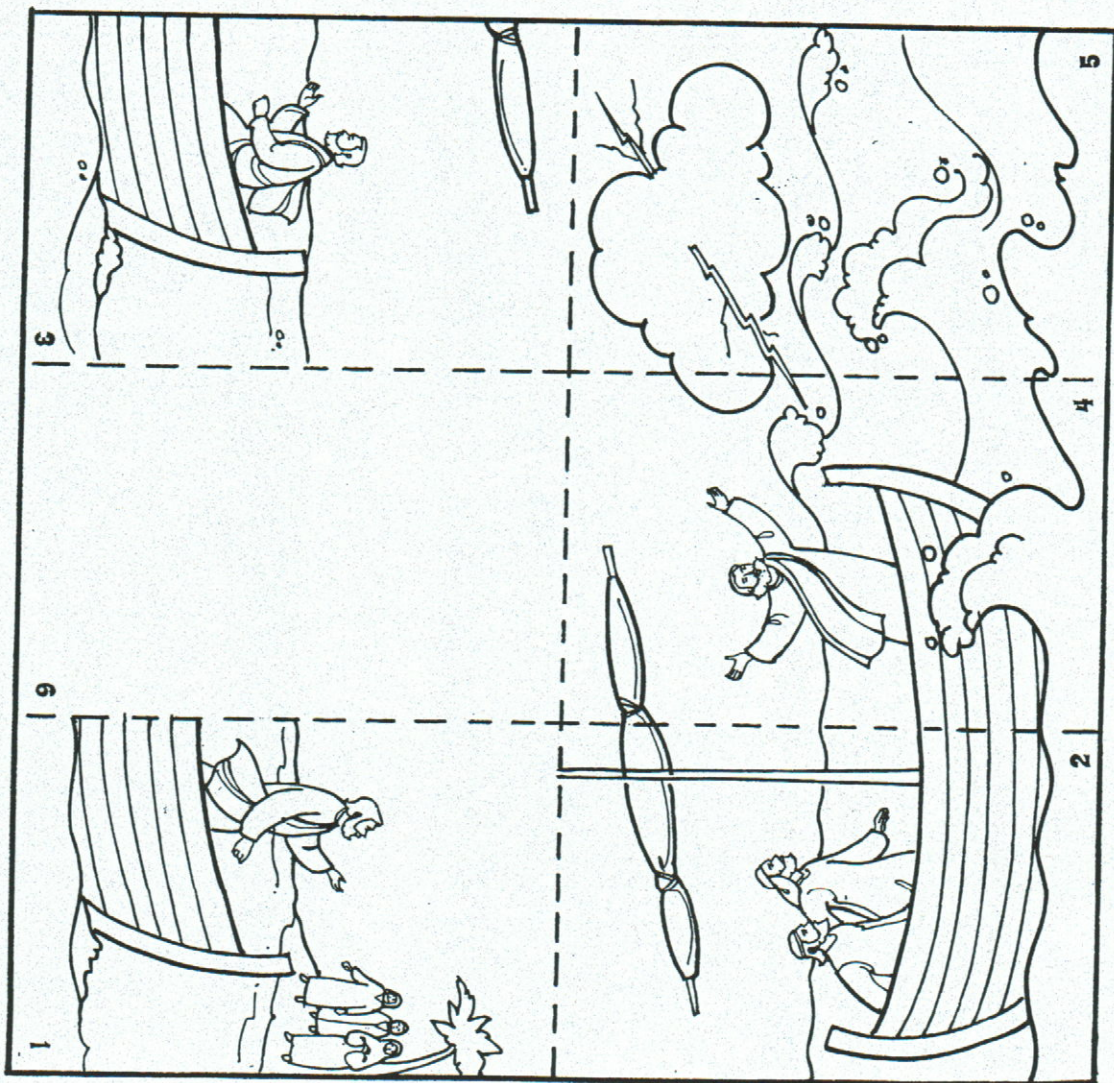

Supplies

copies of the Storm Story Pamphlet
for each child
crayons or markers
scissors

Directions

Color and cut out the six scenes as one piece. Fold the scenes in half along the dotted line so that scenes one, three, and six are behind scenes two, four, and five. Lay the pamphlet in front of you with scenes two, four, and five facing up. Fold scene five in along the dotted line so that it covers scene three and so that scene one now shows as the front cover. Unfold the scenes one at a time as you retell the story of Jesus stopping a storm.

- 1) Jesus was teaching crowds from a boat just off shore (show scene one).
- 2) After He finished teaching, Jesus and His disciples sailed across the lake (open the first panel to reveal scenes two and three).
- 3) A storm came up, and Jesus spoke to the wind and told the storm to stop (open scene three so that scenes two, four, and five are showing).
- 4) The sea calmed, and the disciples were amazed at what Jesus had done (fold scene five over scene four so that scenes two and three are showing again).
