## MOMMYISMS

DO YOU REMEMBER those sayings your mother repeated over and over again as you were growing up? In retrospect, some were pretty funny—unless, of course, you find yourself repeating them to your own children and grandchildren now!

A watched phone never rings.

“I don’t know” is *not* an answer.

Not while you’re living under *my* roof.

Eat your dinner. There are starving children in \_\_\_\_\_.

If you don’t stop crying, I’ll *give* you something to cry about.

So you’re telling me that if your friends jumped off a bridge, you would, too?

One day when you have children of your own, you’ll understand.
